Extra Fare North of Steeles

Route Extension - York Region Transit request Effective Tuesday, August 2, 2005

At the request of York Region Transit, new service will be operated to the Vellore Woods residential area, east of Weston Road and south of Major Mackenzie Drive, during the peak periods from Monday to Friday. With this change, peak period service north of Steeles Avenue will alternate between the existing 165D WESTON RD NORTH (York Mills Station-Major Mackenzie) and the new 165F WESTON RD NORTH (York Mills Station-Major Mackenzie & Vellore Woods) branch. Service on each of the two branches will operate every 51 minutes in the morning peak period and every 44 minutes in the afternoon peak period. There will be no change to the 25 minute 30 second combined service south of Ashberry Boulevard in the morning peak period, or to the 22 minute combined service south of Ashberry Boulevard in the afternoon peak period.
