Temporary route change - track work Effective February 19, 2007

Starting 9:30 a.m., Monday, February 19, track work will begin on Dundas Street, east of Parliament Street. During the construction streetcars will divert in both directions via Gerrard Street and Parliament Street, as shown below.

There will be no service on Dundas Street between Parliament Street and Broadview Avenue. There will be no 505 DUNDAS service on Broadview Avenue, between Gerrard Street and Dundas Street (service will continue to be provided by 504 KING streetcars).

This route change will be necessary until Don Valley Parkway bridge rehabilitation work is complete, in November 2007.
