## Temporary route change during flood damage repairs Effective Sunday, January 1, 2006

The northbound routing will be revised in order to provide service to the area of Finch Avenue affected by the August storm. Buses will run north on Driftwood Avenue and divert via east on Finch Avenue, north on Tobermory Drive, west on Potsdam Road, north on Driftwood Avenue to regular northbound routing. This routing change will replace the temporary 36 FINCH WEST service that was operated between Jane Street and Tobermory Drive. Some buses temporarily operated on this route may not be accessible.

**Accessible Buses:** Accessible bus service is provided on this route.  
You will recognize an accessible bus stop by the accessible symbol on the post.
