St. Clair West Track Project - January 2007 Update

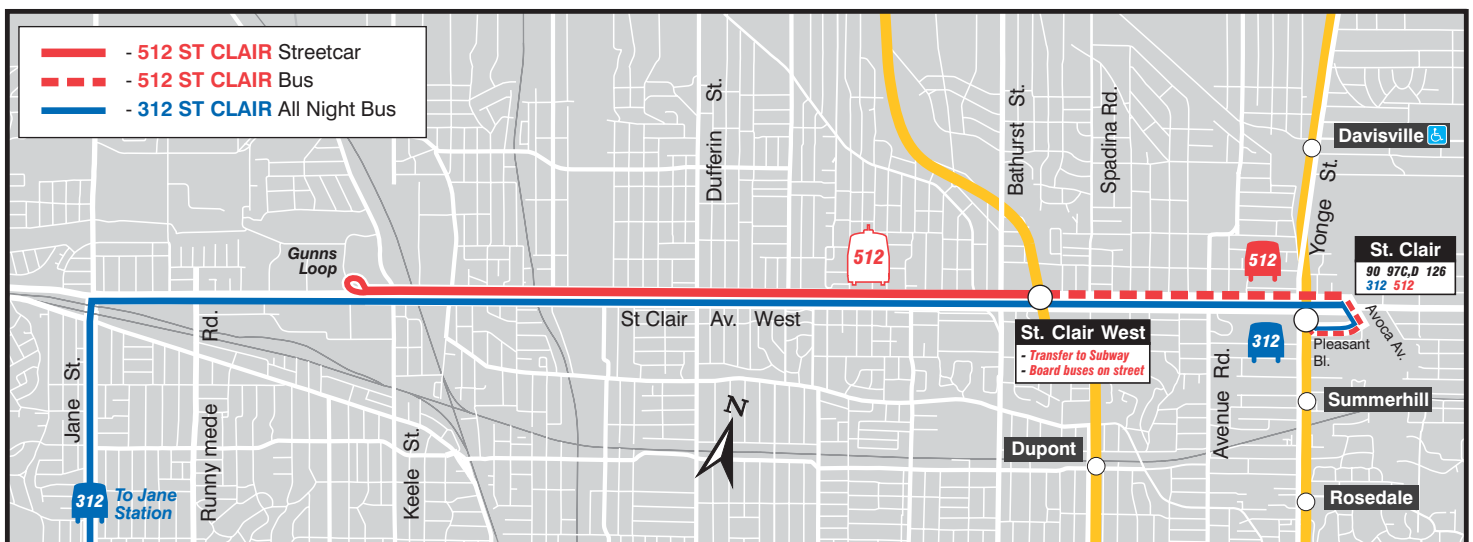

512 St Clair

312 St Clair

Starting Sunday, January 7, 2007, streetcar service will return to St. Clair Avenue, between St. Clair West Station and Gunns Loop (Keele Street). Replacement buses will continue to provide service between St. Clair West Station and St. Clair Station (at Yonge Street). Buses and streetcars will be timed to connect at St Clair West Station. Service will operate every three to four minutes during the peak periods, and every five to ten minutes at all other times.

Streetcar service over the full route, from St. Clair Station to Keele Street, is expected to resume in mid-February 2007.

Construction time lines and route diversions are subject to change due to weather conditions or any other unforeseen events.
