

511 Bathurst

Effective June 22, 2003

Seasonal service increase

Service will be increased to accommodate increased summer travel to Exhibition Place and Ontario Place. From Monday to Friday, there will be no change to the schedule or trip times, but higher-capacity articulated streetcars (ALRVs) will be used in the midday and evening, in order to provide increased capacity.

On Saturdays, Sundays, and holidays, when ALRVs are already used, service will be increased during the evenings. The service will be improved from every 10 minutes to every 8 minutes 40 seconds.
