Summer weekend fare collection at Union Station

On Saturdays, Sundays, and holidays until September 6, a modified fare collection procedure at Harbourfront will be used, in order to speed boarding at busy stops at busy times. Customers who board streetcars at the eastbound stops on Queens Quay at Bathurst Street, Dan Leckie Way, Spadina Avenue, Rees Street, Simcoe Street, and York Street, and at the northbound platform at Queens Quay Station, will enter the streetcars through any door and will not pay a fare or be issued a transfer. **Customers boarding streetcars at these stops will pay their fares instead when leaving the streetcar loop at Union Station.** Normal pay-as-you-enter fare collection and transfer-issuing procedures will be used at all other stops on the 509 HARBOURFRONT and the 510 SPADINA routes. From Monday to Friday during the summer, and seven days a week after Labour Day, normal pay-as-you-enter fare collection will apply at all stops.

Schedules are posted at all transfer points along this route.
