

SERVICE UPDATE

STARTING MAY 12, 2008.

191 Highway 27 Rocket

Seasonal service change

Service will be reduced in the morning peak period, midday, and afternoon peak period from Monday to Friday, as the classes at Humber College end in early May, and ridership will decline after then.

During the morning peak period, the service will change from every 6 minutes 30 seconds to every 7 minutes 15 seconds. Several mid-morning trips on the **191A HIGHWAY 27 ROCKET (Humber College-Kipling Station)** branch will be removed for the summer.

These trips will be cancelled:

Northbound trips from Kipling Station at 8:50, 9:10, 9:30, 9:50, 10:10, and 10:30 a.m.

Southbound trips from Humber College at 9:26, 9:46, 10:06, and 10:26 a.m.

Between 10:00 a.m. and 2:00 p.m. the service will change from every 10 minutes to every 12 minutes. Between 2:00 and 3:00 p.m., the service will change from every 10 minutes to every 11 minutes. During the afternoon peak period, the service will change from every 6 minutes to every 6 minutes 30 seconds.

Please check posted schedules at subway stations and at transfer points on your route, or visit our website.

Accessible service is provided on this route. Not all stops along an accessible route are accessible.
