New service to Kirby Road

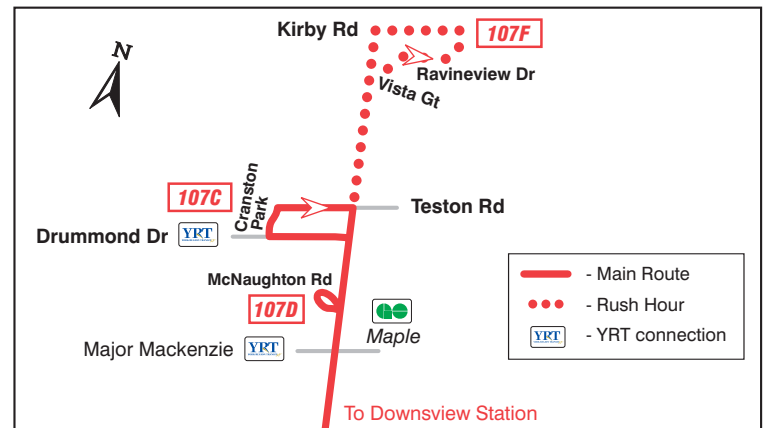

Effective Tuesday, September 7, 2004

At the request of York Region Transit, the route will be extended from Teston Road to Kirby Road during the peak periods from Monday to Friday. Buses will alternate between the existing 107C (Downsview Station-Teston Rd via Bakersfield) branch and the new 107F (Downsview Station-Kirby Rd via Bakersfield) branch. Service on the new 107F branch will be operated every 33 minutes in the morning peak period, and every 34 minutes in the afternoon peak period. Buses will turn around on a counter-clockwise on-street loop using local streets south and east of the Kirby Road/Keele Street intersection.

Travel north of Steeles Avenue requires the payment of a valid York Region Transit fare. Operation of this service north of Steeles Avenue is funded by York Region Transit.
