Revised routing in Morningside Heights Effective Tuesday, September 7, 2004

The 133C NEILSON (Scarborough Centre Station-Morningside Heights) service will be extended to serve more of the Morningside Heights neighbourhood, as nearby road and housing construction is now advanced enough to permit a larger on-street loop to be served by the buses. New service will be provided on Staines Road, Mantis Road, and Nightstar Road. Service will be removed from Canoe Crescent. There will be no change to service levels or most departure times. Service on the 133C NEILSON branch will continue to operate every 22 minutes in the morning peak period, every 20 minutes in the afternoon peak period, and every 26 minutes in the early evening from Monday to Friday.
