Seasonal service change

Effective Tuesday, September 7, 2004

Service will return to the spring/fall levels, to match seasonal ridership changes along Harbourfront. Late evening service, seven days a week, will be eliminated for the fall and winter. Service west of Fleet Loop to Exhibition will start at approximately 9:00 a.m. from Monday-Saturday, instead of the earlier start in the summer.

Service increase

Service will be increased during the afternoon peak period, to reduce crowding. The service will be improved from every 13 minutes to every 9 minutes.

With this change, service will be operated every 9 to 10 minutes in the peak periods, every 10 minutes during the daytime on weekends and holidays, and every 20 minutes during the midday from Monday to Friday and the early evening.
