# BIG TTC NEWS

**NEW TRANSFERABLE METROPASS**

**NEW TRANSFERABLE WEEKLY PASS**

**FAMILY DAY PASS NOW GOOD  
ON SATURDAY OR SUNDAY**

Ride the Rocket.

THE BETTER WAY

**NOW YOU CAN  
LEND YOUR PASS  
TO FAMILY AND FRIENDS  
WHEN YOU'RE NOT USING IT.**

**HOW CONVENIENT IS THAT?**

We're pleased to announce that the TTC Metropass is now transferable. It's the most revolutionary change to happen to the Metropass in 25 years and the perfect way to mark its 25th anniversary.

For the first time, no ID is required when using an Adult Metropass. So you'll be able to lend your Adult Metropass to family or friends when you're not using it.

Students and Seniors still need Photo ID, but change is coming your way as well. Now when you are not using your Senior/Student Metropass you can lend it to another senior or student to use with their Photo ID.

We're also introducing a new transferable Weekly Pass, one for adults and a student/senior one.

Use your Metropass or Weekly Pass by day to get to and from work, then hand it to a family member or friend that night so they can take the rocket once you get home. Or, if you run a small business, keep a Metropass at the front desk for members of your staff to use.
